ACKNOWLEDGEMENT

We extend our sincere thanks to our respected supervisor, **Prof P. B. Tathe** for their invaluable guidance, continuous support, and constructive feedback throughout the development of this RFID-based Attendance System. Their expertise and encouragement have been instrumental in shaping the outcome of this project.

Our heartfelt appreciation goes to Pune Institute of Computer Technology for providing us with the necessary resources, infrastructure, and learning environment that made this project possible.

We are also deeply thankful to our faculty members and lab staff for their technical assistance and for being approachable whenever we faced challenges. A special thanks to our teammates for the dedication, cooperation, and team spirit displayed during every phase of the project. Each member's contribution was vital in transforming our ideas into a functional and efficient system.
